**Executive Board Monthly Meeting
March 9, 2016**

The Executive Board Monthly Meeting was called to order at 7:00pm. Motion to approve the minutes 1st – Kim Schacht, 2nd – Lisa Scheffler. Motion passed.

President's Report – Michele Byington

Michele Byington reported that a baton competition will be held at OHS thru BBA on April 23, 2016. This event will bring in \$3000.00 and will require a few volunteers. Our students will be able to assist and earn community service hours. Times are TBA.

Our debit card was compromised and has been reported with the appropriate bank personnel. Reports have been filed and a new card has been ordered. The bank will assist in the recovery of the funds lost. (\$290.80)

Student accounts are getting in line and balances are being reduced.

Vice-President's Report –Daun Cooper

Dividend hours are now due. If you have not given me your hours, please do. Our hours are always underestimated but the school, and the county, need to know how many hours we put in to this band program.

Any hours you project working between now and July 1st, please let me know.

Treasurer's Report – Whitney Astacio

Reconciled balances as pf 2/18/16

Checking - \$22,819.24

Savings - \$23,472.22

Secretary – Michele Tibbetts

Michele Tibbetts created the sign in sheet for those in attendance.

Band Director – Marc Kolondinsky

Mr. Kolondinsky announced that a 25 piece jazz band from the Marine Corp has offered a free performance to our community on April 14, 2016. He will be looking into the logistics. He reported that MPA was fantastic and our students excelled.

He reported that our old band uniforms are still needed for next marching season as the new prototype has been sent out to bid and has not cleared all the approvals yet. This will delay their production. He will make sure the guard turns in their black tunics that were purchased for school use.

April 23 has been added as a percussion, jazz band concert (possibly Winter Guard). The middle schools will be invited and this will be a recruiting tool.

He reported that students that owe \$100 or more will have their names turned in to administration for collection. Students are being given paper statements to help them clear up remaining balances owed.

Mr. Kolondinsky is looking at an Electronic Wind Instrument (E-WI) for next year's marching show.

Auxiliary Committee – Dena Geldert

Chaperones – Kathie Lind/ Kristen Betancourt

No report

Concessions – Debbie Felty

Lacrosse is underway and concession sales continue to be strong. Students are texting to work but forgetting to sign up so planning is a bit of a challenge but as long as they are making contact, they can be notified if they are needed or not. Parent support has been terrific - several new enthusiastic parents have been added to the team and the remaining games all have at least one adult (most all have 2 and I am on standby as the second adult if needed for second games). The periodic reminders Mr. Line and Mr. K are making in class are appreciated because they do lead to us having enough student volunteers.

The stand has been cleared for the ROTC state meet this Saturday. The "pantry" trailer is being moved to give them space and the safe will be emptied. Everything has already set up and given codes to Andy Griffith (ROTC contact) and he has visited the stand to look things over. He has a contact number for any emergencies and Debbie Felty will stop in after MPA's Saturday just to be sure. We are giving them access to the ice and they know Color Guard will need some for their meet.

April Hartman is working on the logistics for Band Banquet. She expressed a concern/need to get a person on board now to assist so that they can be on board for next year.

Michele Tibbetts will be working to create the Nominating committee.

Preview of Champions next year will be starting at 10:00 am so as to not conflict with Homecoming. OHS admin is being extremely supportive to help this happen.
