2023-2024 PREORDERED MEAL PURCHASE

Band Camp Preorder Meal:

Students will have the opportunity for a meal break at 5:00 PM each day of band camp. For this break time, students are encouraged to pack a meal from home, have a parent drop off a meal at that time, or preorder meals from the band. Each day will be a different option. Please see the menu. Meals for certain days cannot be canceled. If your student doesn't like the option that day there is no refund of the price for the day, and you will be responsible for making sure that your student has another meal option.

If you are selecting this plan, it must be paid in full at registration.

Football Game Preorder Meal:

Students will have an opportunity to eat after performing at halftime of each football game. Some will choose to purchase items from the concession stand. This is often a very slow option since the concession stand is busy with all the stadium customers. Also note, cash is preferred if you select this option. A \$5 minimum purchase for all sales paid for with a credit card at our homestands, and other schools don't always have a credit card option. Alternatively, the Student Hospitality Committee offers a pre-paid meal option to allow students to avoid waiting in busy lines.

This year we have 5 home games and 6 away games. For home games, our concession stands plans to provide burger, cheeseburger, hot dog, or veggie burger (or other vegan/vegetarian item) available with chips and water. For away games, the likely options will be subs from Publix ("Pub subs") with chips and water. Specific meal choices (including dietary preferences) will be offered and selected later (but before the first home game). A Google form will be sent out to all who have pre-ordered meals before the cutoff date.

If you are selecting this plan, it must be paid in full no later than August 4th.
